

PINFOLD NEWSLETTER

June 2017

We have welcomed 10 new pupils to Pinfold this academic year and they are all settling in well. We have 8 year six pupils leaving this July and these children are beginning preparations for high school.

We now have 40 pupils at Pinfold school which is great for group working and Sports events and staff to child ratio is still one of the best in the country. We have a few spaces now and more in September so please tell family & friends about Pinfold and encourage them to come for a look around.

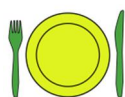

Pinfold Sports

This term the children have taken part in tag rugby, cricket, quad kids (athletics) and tennis. We won the plate trophy in the tag rugby tournament and, although we did not win any medals in the athletics, our 17 children were all excellently behaved and a credit to Pinfold School. We are looking forwards to a packed sporting half term, with rounders, hockey, tag rugby and of course the ever popular dance fever.

daily mile+. Each day at 11.55am they run, jog, around the field and back. They are building up bodies healthy. The importance of this has been imme which they are all taking part in weekly

School Dinners- Price Increase

We've only increased prices of dinner once in the last 7 years and having held off for as long as possible we now have to charge a more realistic price.

Dinners from September will cost £2.50 per day, £12.50 per week. Whilst we appreciate this is a 25% increase, £2.50 is great value for the quality and variety of meals the children receive.

Oak Class

Dance Fever . The theme this year is Musicals. On Friday, pupils & Miss Gilligan visited from Broadgreen High School. Elliot, a year 9 pupil in their school, is currently the "Billy Elliot" in the musical running at the Empire Theatre. He has also performed as Billy Elliot in the West End. He and 2 other Year 9 drama students held a dance masterclass for Pinfold pupils in readiness for these year's Dance Fever. It's going to be great.
