Music

Mr Phillips is pleased with the progress from all the children in Music since the beginning of term. Year 6 children can read music and follow finger numbers whilst learning keyboard. All other year groups have attempted the "Gum Boot" Dance, sung songs and played rhythm games. Next half term all children will be learning songs for the school production of the Snow Queen

The nursery children have been learning about shops and trying different foods. We will be visiting Tesco in Southport to look at where are food comes from and how it is grown etc. From looking at children's interests, we thought this would be a great trip to do to build on the children's experiences and knowledge.

Please tell family and friends about our nursery. If you would like to come and visit us then please ring 01704 840338 to book a visit.

Breakfast Club News
