November 2017

Oak Class

All the juniors went to the Mill Theatre in Wigan to see a live performance of The Lion, The Witch and the Wardrobe. We have read this novel and have done lots of related English work around the book. It was lovely to see it performed at the theatre.

Staff News

Mr Hughes, a student teacher from Edge Hill University has joined us this half term and will be teaching Oak class through until February. He is also helping with junior PE lessons teaching Karate, which the children are thoroughly enjoying.

ATHLETICS

17 children from KS 2 took part in the small schools indoor athletics at St Bede's high school. They worked very well as a team and enjoyed the evening. Well Done.

Snow Queen Play

The children have been rehearsing ready for this year's production of the Snow Queen. We have arranged 3 performances this year so we hope everyone gets the chance to see one production. Letter coming out next week to order tickets.
